DEVELOPMENT OF MEMORANDA OF UNDERSTANDING BETWEEN HEALTH, MENTAL HEALTH, PROBATION, AND LOS ANGELES COUNTY OFFICE OF EDUCATION FOR SERVICES PROVIDED TO MINORS AT PROBATION CAMPS AND HALLS - THIRD STATUS REPORT

On July 17, 2001, on motion by Supervisor Michael D. Antonovich, the Board instructed County Counsel and this office to work with the Chief Probation Officer, Director of Mental Health, Director of Health Services, and the County Superintendent of Schools (agencies) to develop memoranda of understanding (MOUs) regarding the delivery of services to minors at Probation camps and halls. Such MOUs are to address the identification and monitoring of education, mental health, and health services expectations.

Development of MOUs

As indicated in our April 25, 2002 Board memorandum, this office and County Counsel have been working with the impacted agencies to develop the MOUs, and had targeted September 30, 2002 for their completion. We are currently finalizing the MOUs and will provide them to your Board by mid-October 2002.

Please call me if you have any questions or need additional information, or your staff may call Amalia Lopez of my staff at (213) 893-1216.
